Circular

Activating Follow-up and Completion Stages of Buildings Through Building Permits System "Benayat"

In line with the executive procedures for the second phase of the Building Permits System "Benayat", and in reference to the circular regarding the activation follow-up and completion stages of building through "Benayat" issued on 25th February 2020, we would like to advise that the Municipalities Affairs has emphasize that receiving requests for follow-up and completion of construction as well as issuance of completion certificates shall be through Building Permits System "Benayat".

Accordingly, for those requests which are issued through Building Permits System "Benayat" for which the first stage of land preparation has not been started yet, Engineering Offices who are prepared are invited to start the process of following up of construction through the new system.
